## FAQ's

### **2. Are there other options besides the bench seating? How many guests does a bench accommodate?**

*Each 6' bench can typically accommodate up to 4 guests. Additional benches can be added for \$35/bench. Alternatively we can substitute the benches for white wedding folding chairs. Please inquire for pricing - usually \$6/ea. Chairs may incur an additional fee for delivery. Gold or silver Chivari Chairs are also available for an additional fee.*

### **3. Do I book the reception venue or is this something SunQuest can assist with?**

*All of the listed venues (with exception of the Solaris Yacht) must be booked separately through the respective property manager. SunQuest Beach Weddings has wonderful relationships with our premier reception venues and we can help you get in contact with your desired venue for booking.*

### **4. What if it rains?**

*The Solaris Yacht is your ceremony rain back-up plan based upon availability. Concerning receptions, it is the responsibility of the client to secure a rain back-up location that includes an enclosed space for guests and vendors.*

### **5. Should we be concerned about beach permitting? How does this work?**

*The Destin area spans across two counties, Okaloosa and Walton County. Once booked, we work with you to permit for your desired location. Our local industry experts will be with you every step of the way and will even file the permit for you at no additional cost to you. We'll take care of it all! Beach Bonfires are only permitted in Walton County, based on availability.*

### **6. What is required to secure my event?**

*SunQuest Beach Weddings requires a signed event agreement and 50% deposit upon booking. The remaining balance can be paid 30 days prior to your event.*
