Meet the Team

THE TEAM THAT MAKES IT HAPPEN

Kristi

CHIEF OPERATING
OFFICER

Master problem solver, Kristi Adkinson leads the team with over 12 years of experience in planning weddings along the Emerald Coast. Kristi lays the foundation of your event to ensure a smooth transition into the planning process. According to her two boys, she can also rival anyone on the soccer field.

Julie

HEAD WEDDING
DESIGNER

Born and raised on the Emerald Coast, Julie is our resident interior designer and dreamer of dramatic floral arrangements. If you've pinned it, she's built it. An internet sensation among couples, Julie curates unforgettable experiences wherever she goes. A bride once described Julie as "a magical event planning unicorn" and we really can't sum it up better than that.

Aaron

FOOD & BEVERAGE
DIRECTOR

Inspired by the strong women who raised him, Aaron is natural event professional. A talented chef, he custom designs menus to fit each couples' specification. You'll find him leading our service staff into each event. An expert in guest experience, he's your go-to guy for a seamless event or a solid "dad joke."

Kristi

DIRECTOR OF SALES
& MARKETING

Marta

HEAD FLORIST

Sureya

EVENT
COORDINATOR

Kristi Summerlin helps couples realize their event potential at a variety of venues along the Emerald Coast. Organization and logistics is her game, and where she feels most at home. She's your expert in event permitting and ordinances. Before finding her calling in events, she studied wine in France. She's always ready with a new pairing recommendation for your custom menu!

The most efficient pro we know, Marta is our head florist, but also moonlights as our accountant. She has been known to be the glue that keeps our team together. You can find her working alongside Julie to build custom floral arrangements. You might catch her counting in Polish, as she is originally from Poland!

The newest member of the team, we knew that Sureya would be a perfect fit when she walked in with iced coffee for the entire team. She's your biggest cheerleader and the perfect pro to run your big day. A believer in Plan A, B, & C, she always stays three steps ahead of everyone.

Jeremy

EVENT
COORDINATOR

When you first meet Jeremy, you won't miss his contagious smile and positive attitude. Jeremy has mastered every area of the service industry, from the kitchen to managing a team. Jeremy always has a new signature drink idea for events and is naturally artistic. He's even a self-taught violinist!

Tony

ENGINEER

Not all heroes wear capes. Have a brand new arbor idea? Want something to light up? Tony is your guy. He's constantly amazing the team by saying "I can do that." We're convinced there's nothing he cannot do, and we dare you to stump him!
